

CASTELLET PARK RULES

ACCES TO PARC INVOLVES ACCEPTANCE OF THESE RULES

Located in the heart of a forest, acrobatic height is a space of fun activity that allows participants to walk independently between and on the trees. It consists of activities spread over several courses distinguished by a color code or labels that define a level of difficulty

Classical courses

- Yellow - Pink : **Easy**
- White – Green : **Quite difficult**
- Violet – Brown – Blue : **Difficult**
- Red : **Very difficult**
- Black : **Extreme**

Optional courses

- Grey zipper lines: **Quite difficult**
- Orange zipper lines : **Quite difficult**
- The Tyros trek : **Quite difficult**

To allow you to spend a good time at our park, we remind you that moving in a completely autonomy, without any assistance, among the trees with many metres above the ground is a risky activity which implies the strict respect of certain rules and recommendations

- You must be in good health physically and mentally, without any vertigo
- To dress suitable sportswear for these outdoor activities is highly recommended, especially sports closed shoes
- You must tie up your hair and avoid all accessories like scarves, sweaters with hoods, earrings.
People with a navel piercing are requested to notify operators, in order to protect it from friction with the climbing harness
- Do not carry any valuable things, like glasses (except corrective), jewellery, keys etc. and all objects that could fall while you are on the courses

- To use rigorously the personal equipment and protection provided
- To follow a compulsory training will be provided **even if you have already practiced the activity in another park**
- To observe strictly the safety and handling rules showed during the training and always be sure you fasten the ropes twice
- To complete successfully a test course validated by the operator in charge of the training : mandatory requirement before to access the courses
- Do not hesitate to ask for advice, tell us of any difficulties encountered and ask for help at any time

By practicing this risky activity you agree

- To close the courses in case of bad weather
- To exclude anybody with inappropriate behaviour, for example, putting himself or others in danger (not respecting the rules), or people who have no consideration for the rules and our observations.
If excluded, non refund may be required.
- To refuse access to the park for anyone not fulfilling the physical and mental criteria. The practice is forbidden to anyone who has consumed alcohol or any substance that may impair his ability

You expressly waive engage any recourse against our company in case of accident, incident, loss or damage to personal effects etc... Or, more generally for any reason

Considering the specific nature of this activity, the access to the park is restricted to opening hours. It is for customers who paid the park entry fee for a maximum time of 3 hours of activity continuously. The option of the Tyros trek gives you 1 hour extra time.

Access to the "**Little**" courses: Yellow and Pink is permitted to children from 2 years.

They must be accompanied on the ground by a parent or a person in charge (Over 18 years old). This person must be present at the briefing.

These courses are also available to practitioners whose size is over 1.30 m

Access to the **"Medium"** courses: White - Green - Purple - Brown, is allowed for children measuring between 1.30 m and 1.50 m

Access to the **"Adult"** courses: Blue - Red - Black is allowed to those measuring more than 1.50 m and weighing less than 120 kg

Access to the **"Black"** course is allowed after approval of management. It is allowed to those whose size is over 1.50 m and has passed with success the test harness hangers located on the Brown course

Access to the **"Grey"** course is allowed to those measuring more than 1.50m and weighing less than 120 kg

Access to the **"Orange"** course is allowed for children measuring between 1.30 m and 1.50 m

Access to the **"Tyros trek"** course is allowed for children over 9 years old

Groups are under their leader supervision and responsibility.

Participants must be in good physical and mental health. However, blind people, hearing or mental impairments can practice under the supervision of an instructor or an assistant

Personal protective equipment is provided to each participant. Each person is equipped by an operator. Anyone wishing to remove or to wear his harness must apply to an operator

To use a material other the one provided by our facility is not allowed

You must look after your safety. By accessing the courses you agree

- To be still attached with two karabiners on the safety lifeline or safety loops
- To manipulate a single karabiner at a time when changing lifeline or safety loops
- To stay one person per activity
- To stay two people max per platform

- Do not jump on the platforms or from platforms to the ground (low-level courses)
- To read the instructions and descriptions of the activities
- To respect the equipment we provide you
- Always to wear the helmet during the activity
- To be equipped and unequipped by an operator on the wood floors suitable for these operations
- To respect the end of the activity time noted on your badge
- Do not smoke or make fire throughout the park including the picnic areas.

Our friends pets kept on a leash are allowed on the park

How to identify park supervisors

Summer outfit

Yellow teeshirt « Royaume des arbres »

Winter outfit

Green jacket « le Royaume des arbres »

Personal accident insurance

The Royaume des Arbres has an insurance responsibility which guarantees protection of all participants against accidents when we (Royaume des Arbres) could be responsible.

Each participant must make sure that he has his own insurance policy and for his family.

Visitors are welcome on the park. You are allowed to move freely and you agree

- To be vigilant and caution with regard to possible falling objects and the surrounding vegetation
- To respect the park rules, the signs and the marked paths. Don't cross the security fences
- Do not climb or sit on the courses platforms at a low height
- Not to interfere with practitioners in moving or parking near the activities and the zipper lines exits.

It's forbidden to any person traveling on the park to cross or sit on the security fences.

The management declines all responsibility in case of non-compliance with instructions, lost or stolen in the park.
